Background:

The Workforce Innovation and Opportunity Act of 2014 (WIOA) was signed into law on July 22, 2014. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. WIOA supersedes titles I and II of the Workforce Investment Act of 1998, and amends the Wagner-Peyser Act and the Rehabilitation Act of 1973. In general, the Act takes effect on July 1, 2015—the first full program year after enactment, unless otherwise noted. Per [TEGL 38-14](#): Transition from WIA to WIOA, local program operators must adhere to the law's eligibility guidelines as of July 1, 2015, to ensure all those who receive WIOA-funded services are eligible. This PGL provides the detailed guidance necessary to implement this directive.

The update to this policy reflects recent United States Department of Labor and Colorado Department of Labor & Employment's interpretations of WIOA USDOL ETA Only Final Regulations. Change 2 to this policy includes, but is not limited to, the following revisions:
