Dear Commissioner Doty and Mr. Bercich,

The Colorado Workforce Development Council (CWDC) has received your request for approval by the Governor for the Arapahoe/Douglas Workforce Development Board to be the provider of Career Services through Arapahoe/Douglas Works! Workforce Center.

As stated in C.F.R. 679.410, a local workforce development board may act as a provider of career services only with the agreement of the chief elected official in the local area and the Governor. Further, the CWDC is authorized to act on behalf of the Governor for the implementation of requirements of WIOA through Executive Order B 2015 007.

Based upon the review of the information submitted to the CWDC, your request is approved.

This approval is effective immediately and is subject to review upon any of the following occurrences:

- a) Changes to the makeup of the Arapahoe/Douglas Local Workforce Area;
- b) Failure of the Arapahoe/Douglas Local Workforce Area to attain subsequent designation;
- c) Failure of the Arapahoe/Douglas Workforce Development Board to attain certification in 2018 or decertification of the board at any time;
- d) Missing the same performance standard in the Adult or Dislocated Worker program in two consecutive program years; and
- e) Changes to federal law or regulations.

Please contact the Colorado Workforce Development Council offices with any questions.

Thank you for your ongoing commitments and leadership in supporting the workforce needs of Arapahoe and Douglas Counties.

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Hardy".
