

Employers . . . Eliminate the guesswork and stress of hiring.

Want an edge for finding and hiring the best-qualified person for an open position? Look for job applicants with CareerReady Colorado Certification.

Make smarter hiring decisions with CareerReady Colorado.

Based on nationally recognized credentialing standards, certification is concrete proof of a candidate's business critical skills, whether they hold a GED, diploma or degree. It also simplifies interviewing, reduces turnover and saves time and money.

The **CareerReady Colorado Certificate** verifies skills in reading for information, locating information and applied math through the WorkKeys™ assessment system from ACT, the college testing company.

Hire with confidence!

Accept the CareerReady Colorado Certificate as reliable documentation of candidate's qualifications. Visit CareerReadyColorado.org for more information.
