Job Club! Our Generations@Work Job Club presents guest speakers leading insightful discussions on how to secure your next position, and how to keep it. Get together with other career seekers to pick up fresh ideas and resources for your successful job search, and have fun! Some say being over 40 as a barrier to employment. We are here to challenge that!

Labor Market Dollars & Sense! How to use labor market information to your advantage. With current labor market information, you can make informed decisions for your professional future.

Generations at the Round Our panel of guests includes Millennials, Boomers, X Gen and Homelanders. Here to help answer how do we communicate with everyone else in the room and the work place. Talking with each other across generations is possible, profitable and fun!

True Colors! Proven to foster better communication and understanding for stronger relationships in and out of the office. Building on the fundamental applications of Keirsey's work, Don Lowry created True Colors personality assessment: easy to remember and fun!

Finding the Win in Your Losses: Take a fresh look into today's job market. What are employers looking for in an employee? And how to market yourself when applying and interviewing in today's competitive market.

Pre-employment Navigation! How do you prepare for your job search success? Target specific industries, focus on the interview and plan to succeed attending hiring events.

Workshop Surviving a Lay Off! Yes, it is possible! Providing ways to cope with the emotional stress of job loss. And how to manage your financial situation.

Self Directed Search Assessment! Helps individuals move forward identifying the occupations that best suit their personality type, interests and skills, now that we are over 40.
