Job Club! Our Generations@Work Job Club presents guest speakers leading insightful discussions on how to secure your next position, and how to keep it. Get together with other career seekers to pick up fresh ideas and resources for your successful job search, and have fun! Some say being over 40 as a barrier to employment. We are here to challenge that!

***A/D Works Talent Pool!** Come meet with an A/D Works Business Rep to find out how to improve your odds of being hired quicker,

***Apprenticeship! What's out there for me?** Stephanie Mufic, Supervisor of the Business Development team, will be speaking about A/D Works! and other apprenticeship programs

***What Recruiters are Looking for in a Candidate** Kathy Zarlengo was recently the recruiter for Wellbridge Athletics and is now a member of the Business Development team. She will provide insights into the needs and hiring practices of recruiters and what her company looked for in candidates.

***Interview Speak! Generations at the Round Table!** Yes, our panel has Boomer, X-Gen and Millennial and Home Lander generations participating. We are here to help look at the question, just how we better communicate with everyone else in the room. Starting with walking into the interview. Yes! Talking with each other is possible, profitable and fun!
