**Job Club!** Our Generations@Work Job Club presents guest speakers leading insightful discussions on how to secure your next position, and how to keep it. Get together with other career seekers to pick up fresh ideas and resources for your successful job search, and have fun! Some say being over 40 as a barrier to employment. We are here to challenge that!

**Strategies for Job Search Success!** Tips on resume writing, elevator speech and interviewing skills. Putting into practice how to implement new ideas and information for your successful job search.

**Life Reimagined!** Presenting how to take the best next steps to achieve your goals. Get a clearer picture of where you are right now, to better identify where you want to be.

**Generations@Work Job Club Alumni - A Panel Discussion!** Topic, **Effective Job Search Methods**. Your opportunity to talk with Alumni about how they made the transition so successfully.

**Community Campus Partnership Advantage to You!** Discover employment opportunities at the Anschutz Medical Campus. The Anschutz Medical Campus is reaching out to the community through their Community-Campus Partnership. The Community-Campus Partnership offers a Hire Local program, that helps people from the surrounding neighborhoods to get jobs on the Anschutz campus. Lisa Jensen, Director of Hire Local, will share what opportunities are available, and how to build your chances for success.

**True Colors!** Proven to foster better communication and understanding for stronger relationships in and out of the office. Building on the fundamental applications of Keirsey's work, Don Lowry created True Colors personality assessment: easy to remember and fun!

**Workshop Surviving a Lay Off!** Yes, it is possible! Providing ways to cope with the emotional stress of job loss. And how to manage your financial situation.

**Pre-employment Navigation!** The what to and how do you plan to succeed in attending ADW! hiring events. How do you plan to target specific jobs.

**Self Directed Search Assessment!** Used by over 22 million people, supported by 500+ research studies. Helps you identify your personal style to identify career directions. Assists individuals move forward identifying the occupations that best suit their personality type, interests and skills, now that we are over 40.
