

AMTAP

ADVANCED MANUFACTURING TECHNICIAN APPRENTICESHIP PROGRAM

The Advanced Manufacturing Technician Apprenticeship Program is a nine-week certification program designed to certify candidates with the skills necessary to build electronics hardware and develop an exciting career in space operations.

Participants are paid and offered benefits during the nine week training program. Candidates who successfully complete the program may be offered full-time employment at Lockheed Martin.

No Experience Necessary

Informational session to be held:

Thursday, February 7th at 10am

Douglas County Fairgrounds Event Center
500 Fairgrounds Rd, Castle Rock, CO 80104

The curriculum includes solder certification, cable harnessing and conformal coating training.

Training takes place on the Waterton Campus and is taught by Lockheed Martin Space Systems instructors
