

Business Recovery: Progressing Through Change

Please join the Business Recovery Taskforce and the Arapahoe/Douglas Workforce Development Board as they host a virtual conference that will provide you with solutions to recover from COVID-19. This conference will open with a funding resource to help upskill your existing employees, then we will hear from a local manufacturer's journey and how they overcame the unique challenges the pandemic brought. We will finish up with an excellent presentation looking at the future of the workforce.

September 23rd - 10:00 A.M. - 12:00 P.M.

Session 1: Upskilling Your Current Employees with Skill Advance Colorado

Emily Martini, Workforce and Community Programs

Session 2: COVID-19 Experiences and Lessons Learned in Manufacturing

Eric Mather, Director of Leadership and Employee Development at AlloSource

Session 3: 2020 Foresight

Josh Davies, CEO at The Center for Work Ethic Development
