

# Apprenticeship Virtual Information Sessions

## Centura Health Apprenticeship Programs Spring 2021

- Join us for a virtual information session hosted via Zoom!
- Information sessions will include information about working at Centura Health, what it means to be an apprentice, program overviews from our education partners, and breakout sessions for each of our apprenticeship programs!
- Info sessions can be accessed by phone or computer and will be recorded to access later if you're unable to attend!

\*Academic start date will differ from employment start date

Join us on [Tuesday October 13<sup>th</sup>](#) from 9am-10am, [Thursday October 15<sup>th</sup>](#) from 4pm-5pm, [Wednesday October 21<sup>st</sup>](#) from 8am-9am or [Friday October 23<sup>rd</sup>](#) from 2pm-3pm to learn more!

### Medical Assistant Apprenticeship

The Medical Assistant Apprenticeship Program is a hands-on program that prepares students to take the Certified Clinical Medical Assistant (CCMA) test through the National Healthcareer Association. Apprentices will be hired by Centura Health while completing their Medical Assistant training through their local Community College (Denver Metro area and Colorado Springs) or NIMAA (Kansas, Durango, Frisco/Silverthorne, Canon City)

### Sterile Processing Apprenticeship

Centura Health is partnering with Front Range Community College (FRCC) to offer a six-month, paid Sterile Processing Apprenticeship. The program consists of coursework that includes both didactic and hands-on simulation in a fully-functioning sterile processing department. Apprentices learn how to process surgical instruments used in an operating room setting to comply with standards set by the International Association of Healthcare Central Service Material Management organization (IAHCSMM).

### Pharmacy Tech Apprenticeship

The Pharmacy Technician Apprenticeship Program is a paid, six-month program that prepares students to take the Certified Pharmacy Technician Test through the Pharmacy Technician Certification Board (PTCB). Trainees will be hired by Centura Health while completing their Pharmacy Technician training through Front Range Community College.

*Centura Health is an Equal Opportunity Employer, including disability/vet.*
