

Dear Job Seeker,

**Arapahoe/Douglas Works! is here to help you minimize the impact of your recent job loss.**

We are offering Rapid Response Workshops on Tuesdays and Thursdays. These workshops will give you information about many of our no cost services that are designed to help you navigate this difficult time.

- Learn where to apply for Unemployment Insurance with the State.
- Find out more about conducting your own job search.
- Discover our free online workshops on Resume Preparation, Interviewing Skills, and more!

At the end of each workshop, we will try to offer an opportunity to connect with a featured employer that is hiring now for multiple positions. We will provide you with an access code for the employer's event at the end of the workshop.

**Please click on a date below to register. You will receive the Zoom meeting link and call in number. You do not need a Zoom account or computer to attend.**
