

Rapid Response

Layoff Transition Virtual Workshops

Help After Job Loss

After being laid off, you may be asking yourself, what's next? Join our virtual workshops to learn about career resources, funding for professional development training, unemployment benefits, and more. Visit ConnectingColorado.gov to register!

Available Workshops

Career Services at Workforce Centers

11 a.m. | 3rd Wednesday every month

Join us to learn about employment & training resources available at **NO COST** through Colorado's Workforce Centers. (30 mins)

How to File for Unemployment Insurance Benefits

1 p.m. | 3rd Wednesday every month

Learn how to file for unemployment insurance benefits and get tips on how to avoid problems with your claim. (1 hr)

Retirement Funding Decisions After Job Loss

10 a.m. | 3rd Thursday of every month

If you contributed to an employer sponsored retirement plan, learn how the retirement plan decisions you make now affect your retirement savings, taxes, penalties, and your unemployment insurance benefits. (45 mins)

Understanding Your Health Care Options After Job Loss

11 a.m. | 3rd Thursday of every month

Learn about the healthcare options available to you after your employer sponsored health care coverage ends. Learn how to compare plans, and select the coverage that is right for you. (30 mins)

Scan the QR code or visit ConnectingColorado.gov to get started!

To join a virtual workshop you have registered for, login to your Connecting Colorado account & select "Click to Join" in the workshops tab. This link will appear 1 hour prior to start time. Workshops will be live webinars with presenters available for questions.

Questions? Trouble registering? Contact us at cdle_rrteam@state.co.us or call 303-318-8267.

Funded 100% by the federal WIOA Dislocated Worker Program, using state Rapid Response funds with a total availability of \$2,687,685 (PY 2023).
