3 Keys to Difficult Transitions The only certainty in life is change. We are either getting ready to go through a change, or currently experiencing change. This workshop will help us learn how to turn our transitions into learning opportunities.

Ageless Career Search Examine the five generations currently in our workforce, what makes them unique and how to leverage the strengths of each group.

Career Kick Start Learn the tools and competencies necessary to conduct a successful job search.

Career Reinvention Explore how to reconcile past issues that have clouded your confidence; redefine who you are and what you want to do; devise a personal reinvention plan; and build an active professional network.

Career Exploration Explore your barriers to employment and explore potential career paths.

Conflict Transformation Examine how conflicts develop and identifies practical approaches to conflict prevention and management.

Discovering A/D Works! can help any jobseeker reach their employment goals. Your next job is out there. Explore programs, services and workshops that can help you level up your job search.

Disrupting Ageism Identify ageist self-talk, and develop career-enhancing skills that communicate self-confidence, value teamwork, and support collaboration across age groups.

Emotional Intelligence Learn the importance of EQ and how it impacts you job search

Financial Literacy A basic introduction to financial literacy such as management of forms of income, creating a budget, understanding your paycheck, and self-employment.

Growth Mindset in this workshop we will discuss the concept behind Carol Dweck's research, explore ways to respond to everyday challenges and demands using a growth mindset lens, and provide language to help reshape the way we speak and think.

Interviewing The preparation required before an interview and insight into different types of interviews including panel, and telephone.

Introduction to BAC Dedicated to exploring the various assessments at The Business & Assessment Center and how they can help you level up in your career journey.

Job Seekers Network Connect with fellow job seekers to share valuable advice, career opportunities, and connections.

LinkedIn A basic overview of how to build your profile, make connections, find jobs, follow companies, and grow your professional network.

Navigating Stress Learn a range of evidence-based techniques and strategies to help manage stress and improve overall well-being.

Personal Finance After Job Loss For job seekers age 50+, **practical advice** and **guidance** on how to manage finances during a job loss.

Positive Psychology We discuss thoughts, feelings, and behaviors, focusing on strengths instead of weaknesses. Discover how skills can be developed with effort and are not limited by intelligence. Understand how our thinking directly influences success.

Onet OnLine Learn to navigate and use O*NET OnLine, a comprehensive web application that provides detailed descriptions of occupations. Begin to explore career options, identify skill requirements, and make informed decisions about your career path.

Overcoming Job Loss This workshop focuses on practical skills to manage strong emotions, practice self-care, and develop self-empowerment strategies to not only survive job loss, but also to thrive in future ahead.

Resumes Provides a framework for creating an effective resume or improving the one you already have. You will learn to list the essential information you need to develop a great resume in a competitive job environment.

Salary Negotiations An important component in increasing your salary earnings when landing a new position, being promoted, or after a performance review. Most employers are willing to negotiate salaries, but most candidates will not attempt it.

Technology and Job Search New technology can be a useful tool in your job search. Learn how to use it effectively.

Workplace Values Explore your personal values and determine organizational fit for potential job satisfaction.

Skills Lab Emphasize expertise over age in your resume and tackle tough interview questions. Topics vary each week.

- March 7: Tell me about yourself – Create and deliver a persuasive response to this question! Join this lab to practice your pitch and receive helpful feedback and tips
- March 14: Your Age is an Asset – How to leverage life experience to land a great job
- March 21: Your Authentic Elevator Speech - discover how to craft and deliver an elevator speech that showcases your unique strengths and reflects your personality, values, and goals
- March 28: Online Job Search – Boost your Online Job Search Skills! Learn to search and apply for jobs online
