Section 164.501.

c) "Protected Information": shall mean PHI provided by CE to Associate or created or received by Associate on CE's behalf. To the extent Associate is a covered entity under HIPAA and creates or obtains its own PHI for treatment, payment and health care operations, Protected Information under this Addendum does not include any PHI created or obtained by Associate as a covered entity and Associate shall follow its own policies and procedures for accounting, access and amendment of Associate's PHI.

2. Obligations of Associate.

a) Permitted Uses. Associate shall not use Protected Information except for the purpose of performing Associate's obligations under and as permitted by the terms of this Addendum. Further, Associate shall not use Protected Information in any manner that would constitute a violation of the Privacy Rule if so used by CE, except that Associate may use Protected Information: (i) for the proper management and administration of Associate; (ii) to carry out the legal responsibilities of Associate; or (iii) for Data Aggregation purposes for the Health Care Operations of CE. Additional provisions, if any, governing permitted uses of Protected Information are set forth in Attachment A.

b) Permitted Disclosures. Associate shall not disclose Protected Information in any manner that would constitute a violation of the Privacy Rule if disclosed by CE, except that Associate may disclose Protected Information: (i) in a manner permitted pursuant to this Addendum; (ii) for the proper management and administration of Associate; (iii) as required by law; (iv) for Data Aggregation

purposes for the Health Care Operations of CE; or (v) to report violations of law to appropriate federal or state authorities, consistent with 45 C.F.R. Section 164.5020(1). To the extent that Associate discloses Protected Information to a third party, Associate must obtain, prior to making any such disclosure: (i) reasonable assurances from such third party that such Protected Information will be held confidential as

c) provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and (ii) an agreement from such third party to notify Associate within two business days of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach. Additional provisions, if any, governing permitted disclosures of Protected Information are set forth in Attachment A.

d) **Appropriate Safeguards.** Associate shall implement appropriate safeguards to prevent the use or disclosure of Protected Information otherwise than as permitted by this Addendum. Associate shall maintain a comprehensive written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Associate's operations and the nature and scope of its activities.

e) **Reporting of Improper Use or Disclosure.** Associate shall report to CE in writing any use or disclosure of Protected Information other than as provided for by this Addendum within five (5) business days of becoming aware of such use or disclosure.

f) **Associate's Agents.** If Associate uses one or more subcontractors or agents to provide services under this Addendum, and such subcontractors or agents receive or have access to Protected Information, each subcontractor or agent shall sign an agreement with Associate containing substantially the same provisions as this Addendum and further identifying CE as a third party beneficiary with rights of enforcement and indemnification from such subcontractors or agents in the event of any violation of such subcontractor or agent agreement. Associate shall implement and maintain appropriate sanctions against agents and subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation.

g) **Access to Protected Information.** Associate shall make Protected Information maintained by Associate or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within ten (10) business days of a request by CE to enable CE to fulfill its obligations to permit individual access to PHI under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.

h) **Amendment of PHI.** Within ten (10) business days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, Associate or its agents or subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment to enable CE to fulfill its obligations with respect to requests by individuals to amend their PHI under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If any individual requests an amendment of Protected Information directly from Associate or its agents or subcontractors, Associate must notify CE in writing within five (5) business days of the receipt of the request.

h) **Accounting Rights.** Within ten (10) business days of notice by CE of a request for an accounting of disclosures of Protected Information, Associate and its agents or subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528. As set forth in, and as limited by, 45 C.F.R. Section 164.528, Associate shall not provide an accounting to CE of disclosures: (i) to carry out treatment, payment or health care operations, as set forth in 45 C.F.R. Section 164.506; (ii) to individuals of Protected Information about them as set forth in 45 C.F.R. Section 164.502; (iii) pursuant to an authorization as provided in 45 C.F.R. Section

164.508; (iv) to persons involved in the individual's care or other notification purposes as set forth in 45 C.F.R. Section 164.510; for national security or intelligence purposes as set forth in 45 C.F.R. Section 164.512(k)(2); to correctional institutions or law enforcement officials as set forth in 45 C.F.R. Section 164.512(k)(5); (vii) incident to a use or disclosure otherwise permitted by the Privacy Rule;

(viii) as part of a limited data set under 45 C.F.R. Section 164.514(e); or (ix) disclosures prior to April 14, 2003. Associate agrees to implement a process that allows for an accounting to be collected and maintained by Associate and its agents or subcontractors for at least six (6) years prior to the request, but not before the compliance date of the Privacy Rule. At a minimum, such information shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to Associate or its agents or subcontractors, Associate shall within five (5) business days of the receipt of the request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. Associate shall not disclose any Protected Information except as set forth in Section 2(b) of this Addendum.

i) **Governmental Access to Records.** Associate shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to the Secretary of the U.S. Department of Health and Human Services (the "Secretary"), in a time and manner designated by the Secretary, for purposes of determining CE's compliance with the Privacy Rule. Associate shall also provide concurrently to CE a copy of any Protected Information that Associate provides to the Secretary.

j) **Minimum Necessary.** Associate (and its agents or subcontractors) shall only request, use and disclose the minimum amount of Protected Information necessary to accomplish the purpose of the request, use or disclosure, in accordance with the Minimum Necessary requirements of the Privacy Rule including, but not limited to, 45 C.F.R. Sections 164.502(b) and 164.514(d).

k) **Data Ownership.** Associate acknowledges that Associate has no ownership rights with respect to the Protected Information.

l) **Retention of Protected Information.** Except as provided in Section 4(e) of this Addendum, Associate and its subcontractors or agents shall retain all Protected Information throughout the term of this Addendum and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years after termination of the Contract.

m) **Notification of Breach.** During the term of this Addendum, Associate shall notify CE within two business days of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

n) **Audits, Inspection and Enforcement.** Within ten business (10) days of a written request by CE, Associate and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: (i) Associate and CE shall mutually agree in advance upon the scope, timing and location of such an

inspection; (ii) CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by Associate. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under this Addendum.

o) **Safeguards During Transmission.** Associate shall be responsible for using appropriate safeguards to maintain and ensure the confidentiality, privacy and security of Protected Information transmitted to CE pursuant to this Addendum, in accordance with the standards and requirements of the Privacy Rule, until such Protected Information is received by CE, and in accordance with any specifications set forth in Attachment A.

p) **Restrictions and Confidential Communications.** Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 C.F.R. 164.522, Associate will restrict the use or disclosure of an individual's Protected Information, provided Associate has agreed to such a restriction. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information, or to send all communication of Protected Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.

3. Obligations of CE.

a) **Safeguards During Transmission.** CE shall be responsible for using appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to Associate pursuant to this Addendum, in accordance with the standards and requirements of the Privacy Rule, until such PHI is received by Associate, and in accordance with any specifications set forth in Attachment A.

b) **Notice of Changes.** CE shall provide Associate with a copy of any notices of changes that it receives from the State pursuant to the State Addendum, including the following: 1) notice of privacy practices produced in accordance with 45 CFR Section 164.520, as well as any subsequent changes or limitation(s) to such notice, to the extent such changes or limitations may effect Associate's use or disclosure of Protected Information; 2) Any changes in, or revocation of, permission to use or disclose Protected Information, to the extent it may affect Associate's permitted or required uses or disclosures; and 3) To the extent that it may affect Associate's permitted use or disclosure of PHI, any restriction on the use or disclosure of Protected Information that CE has agreed to in accordance with 45 CFR Section 164.522. CE may effectuate any and all such notices of non-private information via posting on CE's web site. First Transit shall monitor CE's designated web site for notice of changes to CE's HIPAA privacy policies and practices.

4. Termination.

a) **Without Cause.** Either of the parties shall have the right to terminate this Addendum by giving the other party 30 days' notice. If notice is given, the Addendum will terminate at the end of 30 days, and the liabilities of the parties hereunder for further performance of the terms of the Addendum shall thereupon cease, but the parties shall not be released from duty to perform up to the date of termination.

b) **Material Breach.** In addition to any other provisions in the Agreement regarding breach, a breach by Associate of any provision of this Addendum, as determined by CE, shall constitute a material breach of the Agreement and this Addendum and shall provide grounds for immediate termination of the Agreement and of this Addendum by CE pursuant to the provisions of this Addendum and the Agreement covering termination for cause, if any. If the Agreement contains no express provisions regarding termination for cause, the following terms and conditions shall apply: 1) Default. If Associate refuses or fails to timely perform any of the provisions of this Addendum or the Agreement, CE may notify Associate in writing of the nonperformance, and if not promptly corrected within the time specified, CE may terminate this Addendum and the Agreement. Associate shall continue performance of this Addendum and the Agreement to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere, (2) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Addendum and the Agreement had been terminated for convenience.

c) **Reasonable Steps to Cure Breach.** If CE knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Addendum pursuant to Section 4(a), then CE shall take reasonable steps to cure such breach or end such violation, as applicable. If CE's efforts to cure such breach or end such violation are unsuccessful, CE shall either (i) terminate this Addendum, if feasible or (ii) if termination of this Addendum is not feasible, CE shall report Associate's breach or violation to the Secretary of the U.S. Department of Health and Human Services.

d) **Judicial or Administrative Proceedings.** Either party may terminate this Addendum, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of HIPAA, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of HIPAA, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

e) **Effect of Termination.**

- (1) Except as provided in paragraph (2) of this subsection, upon termination of this Addendum, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If Associate elects to destroy the Pill, Associate shall certify in writing to CE that such Pill has been destroyed.
- (2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide CE notice of the conditions making return or destruction infeasible. Upon mutual agreement of CE and Associate that return or destruction of Protected Information is infeasible, Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d) and 2(e) of this Addendum to such information, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.

5. **Injunctive Relief.** CE shall have the right to injunctive and other equitable and legal relief against Associate in the event of any use or disclosure of Protected Information in violation of this Agreement or applicable law. Associate acknowledges and agrees that in the event of such impermissible use or disclosure of Protected Information, CE may seek injunctive relief if: (1) CE will

suffer real, immediate, and irreparable injury which will be prevented by injunctive relief; (2) that CE has no plain, speedy, and adequate remedy at law; (3) that the granting of a preliminary injunction will promote the public interest in privacy rather than disserve the public rest; (4) that the balance of equities always favors the injunction in such cases; (5) that the injunction will preserve the status quo pending a trial on the merits; and (6) that CE shall not be required to demonstrate a reasonable probability of success on the merits in order to obtain injunctive relief.

6. No Waiver of Immunity. No term or condition of this Addendum shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS 24-10-101 et seq. or the Federal Tort Claims Act, 28 U.S.C. 2671 et seq. as applicable, as now in effect or hereafter amended.

7. Limitation of Liability. Any limitation of Associate's liability in the Agreement shall be inapplicable to the terms and conditions of this Addendum.

8. Disclaimer. CE makes no warranty or representation that compliance by Associate with this Addendum, HIPAA or the HIPAA Regulations will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.

9. Certification. To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine Associate's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with HIPAA, the HIPAA Regulations or this Addendum.

10. Amendment.

a) Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the Privacy Rule, the Final HIPAA Security regulations at 68 Fed. Reg. 8334 (Feb. 20, 2003), 45 C.F.R. § 164.314 and other applicable laws relating to the security or privacy of PHI. The parties understand and agree that CE must receive satisfactory written assurance from Associate that Associate will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of HIPAA, the Privacy Rule or other applicable laws. CE may terminate the Addendum upon thirty (30) days written notice in the event (i) Associate does not promptly enter into negotiations to amend this Addendum when requested by CE pursuant to this Section or (ii) Associate does not enter into an amendment to this Addendum providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the Privacy Rule.

b) Amendment of Attachment A. Attachment A may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.

11. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under this Addendum, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees

based upon a claimed violation of HIPAA, the Privacy Rule or other laws relating to security and privacy of PHI, except where Associate or its subcontractor, employee or agent is a named adverse party.

12. No Third Party Beneficiaries. Nothing express or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than CE, Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

13. Interpretation. The provisions of this Addendum shall prevail over any provisions in the Agreement that may conflict or appear inconsistent with any provision in this Addendum. Together, the Agreement and this Addendum shall be interpreted as broadly as necessary to implement and comply with HIPAA and the Privacy Rule. The parties agree that any ambiguity in this Agreement shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the Privacy Rule. This Agreement supersedes and replaces any previous separately executed HIPAA addendum between the parties.

14. Survival of Certain Terms. Notwithstanding anything herein to the contrary, Associate's obligations under Section 7(d) ("Effect of Termination") and Section 14 ("No Third Party Beneficiaries") shall survive termination of this Addendum and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the Associate.

15. Representatives and Notice.

a) Representatives. For the purpose of this Addendum, the individuals listed below are hereby designated as the parties' respective representatives. Either party may from time to time designate in writing new or substitute representatives.

b) Notices. All required notices shall be in writing and shall be hand delivered or given by certified or registered mail to the representatives at the addresses as set forth above.

16. Availability of Funds. Payment pursuant to this Addendum, if in any part federally funded, is subject to and contingent upon the continuing availability of federal funds for the purposes hereof. If any of said federal funds become unavailable, as determined by the CE, either party may immediately terminate or seek to amend this Addendum.

17. Audits. In addition to any other audit rights in this Addendum, Associate shall permit CE and any authorized federal agency to monitor and audit records and activities which are or have been undertaken pursuant to this Addendum.

18. No Assignment. Except as otherwise provided, the duties and obligations of Associate shall not be assigned, delegated or subcontracted except with the express prior written consent of CE. Any subcontractors or agents used by BA to perform any services in connection with this Addendum shall be subject to the requirements of this Addendum.

2017-2018 CO-PEP Budget

Total Budget: \$ 600,000.00

Arapahoe/Douglas Works! Cost Methodology:

Arapahoe/Douglas Works! incurs both direct costs and shared direct costs and maintains six cost pools. Arapahoe/Douglas Works!' intention is to direct cost (charge) expenditures as practical and appropriate. Many of the types of costs listed in this cost allocation plan can be found as a direct cost to a program/grant and as a shared or pooled cost as well.

Direct costs are costs that can be specifically identified with and assigned to a final cost objective and cost category. Measuring benefit involves identifying the full cost of the activity (expense) and assigning it to the correct cost objective/program/grant and the related cost category. Costs that can be identified as directly benefiting a specific program/grant and corresponding cost category are charged to that program/grant and corresponding cost category. No further allocation or breakdown by funding source is necessary for direct costs.

Shared direct costs are costs incurred for a common or joint purpose benefiting more than one cost objective or cost category. These costs are not readily assignable to the cost objectives specifically benefited without effort disproportionate to the results achieved. Arapahoe/Douglas Works! "pools" these types of costs and subsequently allocates them to final cost objectives and cost categories. Most administrative costs and building costs are shared direct costs, and thus a direct relationship to a final cost objective cannot be shown without effort disproportionate to the results achieved.

Arapahoe/Douglas Works! has six (6) types of shared direct costs or cost pools: 1.) Shared administrative expenses; 2.) Shared general program expenses; 3.) Shared Lima Building A office building program expenses; 4) Shared Lima Building B office building expenses; 5.) Business and Assessment Center expenses and 6) Shared Altura Plaza building expenses. These six types of shared direct expenses are "pooled" and

COMMUNITY RESOURCES DEPARTMENT

Exhibit B – Infrastructure Funding Agreement (IFA)
Arapahoe/Douglas Works!

charged back to final cost objectives and cost categories using the cost plan described in detail in section V. COST POOLS AND METHODOLOGY of the Colorado Department of Labor and Employment (CDLE) Program Year (PY) 2017 Plan.

When the direct measurement of benefits cannot be done efficiently and effectively, Arapahoe/Douglas Works! "pools" the costs into one of six cost pools. The expenditures initially charged to one of the six pools are subsequently allocated to the benefiting programs/grants and cost categories in proportion to the relative benefits received by each grant/program.

Administrative Cost Pool - Consists of pure administrative and Workforce Development Board expenses (non-program). This pool benefits all Arapahoe/Douglas Works! employees and partners in all Arapahoe/Douglas Works! offices. Arapahoe/Douglas Works! has defined this pool to include administrative functions and coordination of those functions, financial management and accounting including purchasing, payroll and personnel activities (HR), Workforce Development Board activities, organization-wide management, planning contracting, monitoring and agency coordination.

General Program Cost Pool - Consists of shared direct (non-administrative) program expenses. This pool benefits all Arapahoe/Douglas Works! employees and partners in all Arapahoe/Douglas Works! offices. For additional details, please refer to the CDLE PY 2017 Plan.

Infrastructure costs are outlined in Section III. of this Exhibit. Service delivery, as outlined in Section I. of this Exhibit, will be provided and leveraged through in-kind contributions by both Parties.

III. Infrastructure Costs

Arapahoe Douglas Works! receives funding from Arapahoe County Human Services for infrastructure costs. As stated in Section I. of this Exhibit, these costs include but are limited to; non-personnel costs that are necessary for the general operation of the one-stop center, rental costs of facilities, costs of utilities and maintenance, equipment, assessment related products, assistive technology for individuals with disabilities, and technology to facilitate access to the one-stop center.

Arapahoe County Department of Human Services agrees to the amounts indicated and understands that actual payments will be based on actual costs.

IV. Additional Costs

One-stop partners must share in additional costs, which must include applicable career services, and may include shared operating costs and shared services that are necessary for the general operation of the one-stop center. Additional costs may include personnel costs (salaries, wages, and fringe benefits).

- a. Please describe, at a minimum, how applicable career services will be funded.

Personnel costs, which may include, but are not limited to; staff providing career services, supervisory oversight, and manager oversight will be supported and leveraged through Arapahoe County Department of Human Services CO-PEP funds and Arapahoe/Douglas Works! grant(s) as necessary and appropriate.

- b. Please describe how shared operating costs and shared services will be funded, if applicable. The costs of shared services may include initial intake, assessment of needs, appraisal of basic skills,

VI. Certification

This is to certify that all costs included in this plan are allowable and in accordance with the requirements of the federal awards to which they apply and 2 CFR 200 (Uniform Guidance), Cost Principles for State and Local Governments. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

All costs included in this plan are properly allocable to federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the agreements to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently and notification will be provided regarding any accounting changes that would affect the proposal materially.

I certify that this is true and correct to the best of my knowledge.
