BACKGROUND

WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. WIOA supersedes titles I and II of the Workforce Investment Act of 1998, and amends the Wagner-Peyser Act and the Rehabilitation Act of 1973. The Act took effect on July 1, 2015, the first full program year after enactment. This local policy provides the detailed guidance necessary to ensure that all those who receive WIOA-funded services are eligible.
