

## AMTAP Colorado Cohort 25!

The Advanced Manufacturing Technician Apprenticeship Program is a nine week certification program designed to certify candidates with the skills necessary to build electronics hardware and develop an exciting career in space operations.

Participants are paid and offered benefits during the nine week training program. Candidates who successfully complete the program may be offered full time employment at Lockheed Martin.

**Class Starts: July 25, 2022**

*Application period opens:*

**Mon. April 4, 2022**

*Deadline for application submittal is:*

**Mon. April 25, 2022**

Jefferson County will be hosting an AMTAP

### **Targeted Resume Workshop (FREE & VIRTUAL)**

Join us on **Wed. April 6, 2022, from 1:00 p.m. to 4:00 p.m.** for tips and techniques to target your resume!

This engaging, facilitator-led virtual workshop will cover the following:

- Which resume format will make you stand out
- How to turn tasks into accomplishment statements
- The importance of the top third of your resume
- How to get an interview
- 

If you have a copy of your recent resume, be sure to have it handy so you can conduct your own critique!

To register, click [here](#).

You will receive a Zoom link and participant materials prior to the workshop.
