

**CONSTRUCTION  
CAREERS NOW!**  
buildcolorado.com

# Enter the Trades and Help Build Colorado!

## Why Enter the **Construction Careers Now** Program?

- Construction careers are in high demand  
~ 30,000 employees are needed in the construction industry in Colorado over the next 7 years.
- You could start your new career in 30 days!  
~ Meet contractors at the hiring fair in the 3rd week of your orientation.
- Industry sponsored tuition  
~ No cost to student.
- Well-paid careers  
~ No student loans!
- Choose from variety of trades and career paths within the industry  
~ No experience required.
- Learn the latest construction technology
