(a Division of the Community Resources Department of Arapahoe County Government), and Colorado Department of Labor and Employment Division of Vocational Rehabilitation* (together the 'Parties').

Pursuant to the Workforce Innovation and Opportunity Act (WIOA), the *Arapahoe/Douglas Workforce Development Board* is required to develop and enter into a MOU with service delivery partners required by the WIOA.

The *Arapahoe/Douglas Workforce Board* has designated *Arapahoe/Douglas Works!* as the one-stop center for the federally designated local areas of *Arapahoe County and Douglas County*.

WHEREAS, WIOA Section 121(c) requires that each Local Workforce Development Board ('LWDB'), with the agreement of the Chief Elected Official ('CEO'), shall develop and enter into an MOU (between the LWDB and the one-stop partners), consistent with Section 121(c)(2), concerning the operation of the one-stop delivery system in each local area.

WHEREAS, WIOA Section 121(b)(1)(A)(iii) mandates all entities that are required partners in a local area ('Partners') to enter into an MOU with the LWDB relating to the operation of the one-stop system, pursuant to WIOA Section 121(c).

WHEREAS, WIOA Section 121(b)(1) identifies the required programs or activities, and requires that each entity that carries out a program or activities ('Partners') in *Arapahoe County and Douglas County* shall: (a) provide access through the one-stop delivery system to such program or activities carried out by the Partner, including making the career services described in WIOA section 134(c)(2) that are applicable to the program or activities available at the one-stop centers (in addition to any other appropriate locations); (a) use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the

WHEREAS, WIOA Section 121(b)(2)(A) provides that both required and additional partners are Partners for the local area. Therefore, all entities that participate in the local area of Arapahoe and Douglas counties service delivery system as Partners, whether required or additional, must be Parties to this MOU and must abide by the terms prescribed herein and by all applicable federal, state, and local rules, plans, and policies as applicable to the Partner and authorized under the Partner's relevant legislation and in keeping with federal guidelines.

WHEREAS, WIOA Section 121(b)(1)(A)(iv) indicates that the requirements of each Partner's authorizing legislation continue to apply under the local area of *Arapahoe and Douglas counties* workforce system and that participation in the operation of *Arapahoe/Douglas Works!* one-stop delivery system is in addition to the requirements of WIOA and other requirements applicable to each Partner under each authorizing law.

NOW THEREFORE, this MOU identifies (1) the duration of the MOU as well as the procedures for amending it during the term or period covered by the MOU, (2) the specific services provided by the Partner, (3) the procedures used to refer individuals between the Partners for the provision of appropriate services and activities, and (4) the method by which the cost of these services will be allocated and shared, if applicable.

I. TERM

The Parties' performance under this MOU shall commence on the later of (a) **July 1, 2023**, or (b) the date this MOU becomes fully executed (the 'Effective Date'). This MOU shall remain in effect until **June 30, 2026**, unless previously terminated or updated by one of the Parties pursuant to the terms of this MOU.

II. SCOPE

This MOU is entered into by and between the Parties for the delivery of services within the one-stop system, including the coordination of service delivery and the referral of customers, for the *Arapahoe/Douglas local area*. WIOA §121(b) identifies both the required and the optional programs and activities that may be carried out by Partners in the *Arapahoe/Douglas area*.

- A. One-Stop Partner Services: Exhibit A hereto sets forth the specific services that the Parties will provide in the Local Area in which the Partners operate. Exhibit A is attached hereto

and incorporated herein by reference as if fully set forth herein. Beginning on the Effective Date and continuing throughout the term of this MOU, the Parties agree to work collaboratively to carry out the provisions of WIOA and this MOU and to provide the services set forth in its signed Exhibit A. Each Party agrees (1) to promptly notify the other Parties if, for any reason, the Party fails to provide or is unable to provide the services set forth in its signed Exhibit A and (2) to amend its Exhibit A in accordance with this MOU if, for any reason, Exhibit A no longer accurately or completely describes the services provided by the Parties.

B. Cost Sharing

1. Negotiation of the Infrastructure Funding Agreement ('IFA')

The Colorado Workforce Development Council ('CWDC'), with the authority of the Governor, provides that (a) each Partner that operates in the Local Area contributes its Proportionate Share of the Total Costs of operating each comprehensive and affiliate one-stop center in the Local Area; (b) the cost sharing methodology must be decided by consensus agreement among the LWDB, the CEO, and all the Parties; (c) if any Party fails to agree to an IFA that meets the requirements set forth by the CWDC, the State will implement the State Funding Mechanism to determine each Partner's Contribution.

The Parties agree to participate in good faith in the negotiation of an IFA that meets all requirements set forth by the CWDC. At a minimum, the IFA should (a) specify the effective time period, which may be different from that of the duration of the MOU; (b) identify the Infrastructure Costs, Shared Costs and Total Costs; (c) identify the formula used to calculate Proportionate Share; (d) identify the CEO, the LWDB, and the Parties participating in the IFA; and (e) establish a process by which the Parties will reconcile the Total Costs, the Proportionate Share and the Partner Contribution at least once per quarter throughout the term of the IFA. Upon agreement, any IFAs for the local area shall be incorporated as legally binding components of this MOU as if fully set forth herein, and shall be attached hereto and incorporated herein as Exhibit B.

The Parties agree that (a) the Infrastructure Costs, Shared Costs and Total Costs will be calculated using actual cost data, where possible, or reasonable cost estimates, where actual data is not available; (b) the cost data or estimates underlying the calculation of the Infrastructure Costs, Shared Costs and Total Costs will be disclosed to the Partners; (c) the methodology for calculating each Partner's Proportionate Share of the Total Costs will be determined through a reasonable cost allocation methodology that assigns costs to Partners in proportion to relative benefits received; (d) the Parties will negotiate in good faith to identify the methodology as well as the formula by which each Partner will make the Partner Contribution and to establish a process by which the Parties will reconcile the Total Costs, the Proportionate Share and the Partner Contribution at least once per quarter throughout the term of the IFA; and (e) in negotiating the IFA, the Parties will comply with both the letter and the spirit of the WIOA law, regulations, Office of Management and Budget Circulars, and CWDC-issued policy guidance.

2. Abide by State Funding Mechanism, if Implemented, Subject to the Appeals Process
If the Parties fail to agree to an IFA that meets the requirements of the CWDC, the State

will implement the State Funding Mechanism to determine each Partner's Contribution.

As applicable, (a) the Parties agree to abide by the terms of the State Funding Mechanism, if implemented, subject to the appeals process set forth by the CWDC; and (b) the Partners who are not subject to the State Funding Mechanism agree that, if the State Funding Mechanism is implemented, such Partner will continue in good faith to negotiate an IFA that meets the requirements of the CWDC.

III. PROVISIONS

A. Termination of MOU

(1) Any Party wishing to terminate this MOU must provide written notice, by certified mail, return receipt requested, stating its intent to terminate to the other Parties at least thirty (30) days prior to the effective date of termination of the MOU. All rights and obligations of the Parties under this MOU shall cease on the effective date of such termination, with the sole exception of any liabilities which the Parties may have incurred and the Parties' confidentiality obligations under Paragraph IV.B.

(a) Per WIOA Section 121, any Partner that terminates its role as a Party to this MOU is no longer eligible to participate as a Partner with the Local Workforce system and will not be permitted to serve on the LWDB as a Partner representative.

(b) A Partner of this MOU that subsequently loses federal funding or the authority to administer the federal program in the Area and therefore no longer qualifies as a required Partner under WIOA Section 121(b)(1) must send written notice of the change in status to all the Parties as soon as possible. In such an event, a formal amendment to this MOU per Paragraph B of this Article will be required. The entity may continue as an additional Partner if mutually agreed to by the Arapahoe/Douglas Workforce Board and the remaining Partners.

B. Modifications and Amendments

(1) Except as specifically provided in this MOU, modifications of this MOU shall not be effective unless agreed to in writing by the Parties in an amendment to this MOU, properly executed and approved in accordance with applicable state and local laws, rules, and policies.

(2) In accordance with 20 CFR 678.500(d), the Parties agree to review the terms of this MOU not less than every three (3) years following the Effective Date to reflect any changes in the delivery of services, signatory official of the Parties, or one-stop infrastructure funding. Each Party to this agreement shall inform the other of any such changes until such time the agreement is modified in accordance with Section III.B(1) above. Should the need arise, the Parties may review the MOU on a more frequent basis and if substantial changes have occurred, amend the MOU to ensure appropriate funding and delivery of services. The *Arapahoe/Douglas Workforce Board* shall initiate and oversee periodic review(s).

- (3) The Parties may modify an exhibit attached to this MOU without written amendment to the MOU; provided, however, that no such modification to an exhibit shall result in or be binding on the Parties if the modification requires an increase to a Party's total amount of cost sharing costs as set forth in Exhibit B. Any modification to an exhibit agreed to by the parties that requires an increase in a Party's total amount of cost sharing costs shall be evidenced by a written amendment to this MOU prepared and executed by both parties in accordance with Section III.B.(1) above.

The parties shall, in each instance, memorialize in writing any and all modifications to an exhibit by revising and restating that exhibit and referencing the contract control numbers, if any, for this MOU. A proposed modification to an exhibit will be effective only when it has been approved in writing by the authorized representatives of the Parties, and if applicable, approved as to form by each Party's legal counsel. Each modified Exhibit shall contain the date upon which the modified exhibit shall take effect.

C. Appropriations/Funding.

- (1) WIOA Sec. 121(c)(2)(A)(ii) requires that the funding arrangements for services and operating costs of Arapahoe/Douglas Works! One-Stop service delivery system must be described in this MOU. Under WIOA, each Partner that carries out a program or activities in an Arapahoe/Douglas Works! One-Stop Center or otherwise in the Local Area must use a portion of its funds available for such programs and activities, to operate and maintain Arapahoe/Douglas Works! One-Stop delivery system, including proportional payment of the Infrastructure Costs, Additional Costs, and Total Costs of Arapahoe/Douglas Works! One-Stop Centers (20 CFR § 678.700). All cost sharing agreements set forth in Exhibit B or elsewhere in this MOU are subject to all federal laws, rules, regulations, Office of Management and Budget Circulars, and guidance governing the specific program or activities for which cost sharing is required under WIOA. All obligations of the Parties under this MOU for cost-sharing arrangements, whether in whole or in part, are subject to and contingent upon the continuing availability of federal funds authorizing the program or activity for which cost sharing is required under WIOA and shall extend only to funds appropriated annually by the State of Colorado or Arapahoe County or Douglas County, paid into its Treasury, and encumbered for the purpose of this MOU.
- (2) In the event that federal funds, or any part thereof, are not awarded to a Party for a program or activity for which cost sharing is required under WIOA or are reduced or eliminated by the federal government, the Parties may modify Exhibit B, in accordance with Section III.B., or the Party whose program or activity was not funded or was reduced or eliminated may terminate this MOU in accordance with Section III.A.
- (3) None of the Parties, by this MOU, irrevocably pledges present case reserves for payments in future fiscal years. The MOU does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation for any Party.

IV. ADDITIONAL PROVISIONS

- A. Record Maintenance and Inspection: Each Party shall make, keep and maintain a complete file of all records, documents, communications, notes and other written materials, and electronic media files, pertaining in any manner to the performance of this MOU until the later to occur of: (i) a period of three (3) years after the date this MOU expires or is earlier terminated, or (ii) the resolution of any pending disputes arising out of or relating to this MOU or the Parties' rights and obligations hereunder. This section shall be deemed to supplement and not replace any additional record maintenance and inspection requirements that a Party's funding authority or program may be bound by. All Parties shall continue to adhere to such other record maintenance and inspection requirements in addition to those set forth in this section.
- B. Confidentiality and Data Sharing: The Parties will have access to and contribute to information and materials of a highly sensitive nature, including confidential information. During the term of this MOU and at all times thereafter, Parties shall not collect, use, or disclose any confidential information except to the extent such use or disclosure is necessary in the performance of this MOU. In accordance with but not limited to 20 CFR Part 603, 45 CFR Section 205.50, 20 USC 1232g and 34 CFR part 99, and 34 CFR 361.38, as well as applicable state and federal law, rules, regulations, and waivers, all Parties shall actively secure and share confidential participant information and records. The Parties shall not share another Parties' confidential data unless allowed by state, and federal law, rules, regulations, and waivers. Partners acknowledge that the execution of this MOU, by itself, does not function to satisfy all of these requirements.
- C. Dispute Resolution: If Parties disagree on the implementation of this MOU or the performance of services hereunder, the Parties or their representatives will attempt to resolve their disagreement through negotiation. If the Parties cannot reach a resolution through this negotiation, the LWDB will attempt to resolve the differences with the assistance of the Partner or representative. If the Parties' disagreements cannot be resolved at this level, the LWDB must report failure to resolve the dispute with a required partner to the local elected official, Governor, the CWDC, and the State agency responsible for administering the Partner's program. If the State in collaboration with the local elected official cannot assist the LWDB in resolving the disagreement, the CWDC must report the failure to the Secretary of Labor and to the head of any other Federal agency with responsibility for oversight of a Partner's program (20 CFR Part 678.510).
- D. Entire MOU: The Parties recognize and agree that no Party has made or authorized any understanding beyond that expressly set forth in the MOU, and no oral representation, promise, or consideration different from the terms herein contained shall be binding on either Party, or its agents or employees, hereto. This MOU embodies the entire agreement between the Parties referring to the subject matter between the Parties hereto and there are no promises, terms, conditions, or obligations referring to the subject matter whereof than as contained herein.

- E. Severability: Should any other provisions of this MOU be held to be invalid or unenforceable, then the balance of the MOU shall be held to be in full force and effect as though the invalid portion was not included; provided, however, that should the Party or Parties who would receive the benefits of the provision, were it not invalid or unenforceable, shall have the option to terminate this MOU, forthwith.

- F. Independent Contractor: The Parties recognize and agree that each Party is an independent contractor for all purposes, both legal and practical, in performing services under this MOU, and that each Party and its agents and employees are not agents or employees of the other Party for any purpose. As an independent contractor, each Party shall be responsible for employing and directing their own personnel and agents as is required to perform the services provided pursuant to this MOU and shall exercise complete authority over its own personnel and agents and shall be fully responsible for their actions. Each Party acknowledges that their agents and employees are not agents or employees of the other Party, for any purpose.

Nothing in this MOU will be construed to make one Party an employee, franchisee, joint venturer, agent, or Partner, of the other Party. No Party will represent itself to have any authority to bind any other Party to act on its behalf, except as expressly set forth herein. No Party will have the right to represent itself as having the authority to pledge the other Party's credit or extend credit in the other Party's name. No Party will have the right to execute any agreements in the other Party's name, or to bind the other Party in any way.

The Parties acknowledge that they are not entitled to unemployment benefits or workers compensation benefits from the other Party, its elected officials, agents, or any program administered or funded by the other Party. The Parties shall be entitled to unemployment coverage or workers compensation insurance only if unemployment compensation coverage or workers compensation coverage is provided by that Party's Program or some other entity that is not a Party to this MOU.

- G. Third Party Indemnification: To the extent permitted by law, each Party shall defend, indemnify and hold harmless the State and its officers and employees from any and all claims, liabilities or penalties suffered by the State or its officers and employees, and any and all claims, liabilities or penalties asserted against the State or its officers and employees, by or on behalf of any person, on account of, based on or resulting from, or arising out of (or claimed to have arisen out of) the acts or omissions of the Non-State Party. Notwithstanding the foregoing, nothing herein shall be deemed to constitute a waiver of the State's or any governmental entity's sovereign immunity, which immunity is hereby reserved to the State or other governmental entity which is a Party to this MOU.

- H. Governmental Immunity: Liability for claims for injuries to persons or property arising from the negligence of the Parties, their departments, institutions, agencies, boards, commissions, committees, bureaus, offices, officials, and employees shall be controlled and limited by the provisions of the Governmental Immunity Act § 24-10-101, et seq.; the Federal Tort Claims Act, 28 U.S.C. Pt. VI, Ch. 171 and 28 U.S.C. 1346(b), and the risk management statutes, C.R.S. § § 24-30-1501, et seq., as amended.

- I. Third-Party Beneficiary: The enforcement of the terms and conditions of this MOU and all rights of action relating to such enforcement, shall be strictly reserved to the Parties, and nothing contained in this MOU shall give or allow any claim or right of action whatsoever by any non-Party. It is the express intent of the Parties to this MOU that any person receiving services or benefits under this MOU shall be deemed an incidental beneficiary only.
- J. Assignment: The Parties' rights and obligations hereunder are personal and may not be transferred, assigned, or subcontracted without the prior written consent of the LWDB. Any attempt at assignment, transfer, or subcontracting without the written consent of the LWDB shall be void.
- K. Compliance with Law: The Parties shall strictly comply with all applicable federal and state laws, rules, and regulations in effect or hereafter established, including, without limitation, laws, rules, and regulations applicable to discrimination and unfair employment practices. Any changes to such laws are deemed to have been incorporated into this MOU as of the date such changes take effect.
- L. Breach: No waiver of any breach of this MOU shall be held to be a waiver of any other or subsequent breach. All remedies afforded under this MOU shall be taken and construed as cumulative, that is, in addition to every other remedy provided herein or by law.
- M. Notices: For all notices required to be provided under this MOU, all such notices shall be in writing, and shall be either sent by certified mail, return receipt requested, or hand-delivered to the following representatives of the Parties at the following addresses. II. General Financial Information

Arapahoe/Douglas Works! Cost Methodology:

Arapahoe/Douglas Works! incurs both direct costs and shared direct costs and maintains six cost pools. Arapahoe/Douglas Works!' intention is to direct cost (charge) expenditures as practical and appropriate. Many of the types of costs listed in this cost allocation plan can be found as a direct cost to a program/grant and as a shared or pooled cost as well.

Direct costs are costs that can be specifically identified with and assigned to a final cost objective and cost category. Measuring benefit involves identifying the full cost of the activity (expense) and assigning it to the correct cost objective/program/grant and the related cost category. Costs that can be identified as directly benefiting a specific program/grant and corresponding cost category are charged to that program/grant and corresponding cost category. No further allocation or breakdown by funding source is necessary for direct costs.

Shared direct costs are costs incurred for a common or joint purpose benefiting more than one cost objective or cost category. These costs are not readily assignable to the cost objectives specifically benefited without effort disproportionate to the results achieved. Arapahoe/Douglas Works! "pools" these types of costs and subsequently allocates them to final cost objectives and cost categories. Most administrative costs and building costs are shared direct costs, and thus a direct relationship to a final cost objective cannot be shown without effort disproportionate to the results achieved.

Arapahoe/Douglas Works! has six (6) types of shared direct costs or cost pools: 1.) Shared administrative expenses; 2.) Shared general program expenses; 3.) Shared Lima Building A office building program expenses; 4) Shared Lima Building B office building expenses; 5.) Business and Assessment Center expenses and 6) Shared Altura Plaza building expenses. These six types of shared direct expenses are "pooled" and charged back to final cost objectives and cost categories using the cost plan described in detail in section V. COST POOLS AND METHODOLOGY of the CDLE PY Plan.

When the direct measurement of benefits cannot be done efficiently and effectively, Arapahoe/Douglas Works! "pools" the costs into one of six cost pools. The expenditures initially charged to one of the six pools are subsequently allocated to the benefiting programs/grants and cost categories in proportion to the relative benefits received by each grant/program.

Administrative Cost Pool - Consists of pure administrative and Workforce Development Board expenses (non-program). This pool benefits all Arapahoe/Douglas Works! employees and partners in all Arapahoe/Douglas Works! offices. Arapahoe/Douglas Works! has defined this pool to include administrative functions and coordination of those functions, financial management and accounting including purchasing, payroll, and personnel activities (HR), Workforce Development Board activities, organization-wide management, planning contracting, monitoring and agency coordination.

General Program Cost Pool - Consists of shared direct (non-administrative) program expenses. This pool benefits all Arapahoe/Douglas Works! employees and partners in all Arapahoe/Douglas Works! offices. For additional details, please refer to the CDLE PY Plan.

Infrastructure costs are outlined in Section III. of this Exhibit. Service delivery, as outlined in Section I. of this Exhibit, will be provided, and leveraged through in-kind contributions by both Parties.

III. Infrastructure Costs

Infrastructure costs are non-personnel costs that are necessary for the general operation of the one-stop center, such as rental of the facilities, utilities and maintenance, equipment, and technology. The infrastructure costs budget for the one-stop system in the Arapahoe/Douglas Counties includes the following, agreed upon items:

V. Payment and Reconciliation

Infrastructure costs outlined in Section III of Exhibit B and service delivery in Section I of Exhibit B will be provided and leveraged through in-kind contribution by both Parties.

The infrastructure costs as outlined in Exhibit B are in-kind in nature; therefore, at least once per quarter throughout the term of the IFA, DVR agrees to reconcile their calculation of their contribution. If, upon completion of the reconciliation process, the Parties agree to update the calculation of the infrastructure cost contribution, DVR will provide Arapahoe/Douglas Works! the updated version of these contributions. Upon receipt of the infrastructure cost contribution and corresponding methodology, Arapahoe/Douglas Works! will append the updated contribution figures to the Exhibit, leaving in place all previous versions of the contributions.

Any updated contribution figures shall be incorporated as a legally binding component of the MOU and interpreted to be consistent with all terms and conditions of the MOU and effective during the applicable period defined therein.

VI. Certification

This is to certify that all costs included in this plan are allowable and in accordance with the requirements of the federal awards to which they apply and 2 CFR 200 (Uniform Guidance), Cost Principles for State and Local Governments. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

All costs included in this plan are properly allocable to federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the agreements to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently and notification will be provided regarding any accounting changes that would affect the proposal materially.

I certify that this is true and correct to the best of my knowledge.
