**3 Keys to Difficult Transitions** The only certainty in life is change. We are either getting ready to go through a change, or currently experiencing change. Learn how to turn our transitions into learning opportunities.

**Ageless Career Search** Examine the five generations currently in our workforce, what makes them unique, and how to leverage the strengths of each group.

**Basic Financial Literacy** A basic introduction to financial literacy such as management of forms of income, creating a budget, understanding your paycheck, and self-employment.

**Career Exploration** Explore your barriers to employment and explore potential career paths.

**Career Kick Start** Learn the tools and competencies necessary to conduct a successful job search.

**Career Reinvention** Explore how to reconcile past issues that have clouded your confidence; redefine who you are and what you want to do; devise a personal reinvention plan; and build an active professional network.

**Conflict Transformation** Examine how conflicts develop and identifies practical approaches to conflict prevention and management.

**Discovering A/D Works!** can help any jobseeker reach their employment goals. Your next job is out there. Explore programs, services and workshops that can help you level up your job search.

**Disrupting Ageism** Identify ageist self-talk, and develop career-enhancing skills that communicate self-confidence, value teamwork, and support collaboration across age groups.

**Emotional Intelligence** Learn the importance of EQ and how it impacts you job search

**Growth Mindset** Discuss the concept behind Carol Dweck's research, explore ways to respond to everyday challenges and demands using a growth mindset lens, and learn language to help reshape the way we speak and think.

**Interviewing** The preparation required before an interview and insight into different types of interviews including panel, and telephone.

**Introduction to BAC** Dedicated to exploring the various assessments at The Business & Assessment Center and how they can help you level up in your career journey.

**Job Search Support Lab** – Spend time in the workforce center exploring community resources, registering for Connecting Colorado, or navigating your job search. Career Advisors will be on hand to answer questions and provide feedback.

**Job Seekers Network** Connect with fellow job seekers to share valuable advice, career opportunities, and connections.

**LinkedIn** A basic overview of how to build your profile, make connections, find jobs, follow companies, and grow your professional network.

**Personal Finance After Job Loss** For job seekers age 50+, **practical advice** and **guidance** on how to manage finances during a job loss.

**O\*Net OnLine** Learn to navigate and use O\*NET OnLine, a comprehensive web application that provides detailed descriptions of occupations. Begin to explore career options, identify skill requirements, and make informed decisions about your career path.

**Overcoming Job Loss** This workshop focuses on practical skills to manage strong emotions, practice self-care, and develop self-empowerment strategies to not only survive job loss, but also to thrive in future ahead.

**Resumes** Provides a framework for creating an effective resume or improving the one you already have. You will learn to list the essential information you need to develop a great resume in a competitive job environment.

**Remote Work** Explore skills needed for remote work and the best job boards to use to find it.

**Salary Negotiations** An important component in increasing your salary earnings when landing a new position, being promoted, or after a performance review. Most employers are willing to negotiate salaries, but most candidates will not attempt it.

**Technology and Job Search** New technology can be a useful tool in your job search. Learn how to use it effectively.

**Workplace Values** Explore your personal values and determine organizational fit for potential job satisfaction.

### **Skills Labs**
