Reducing Turnover and Improving Retention

High levels of retention lead to lower rates of turnover. Retention and turnover metrics can provide powerful insight into employee experience, engagement, and satisfaction, as well as an organization's level of cultural buy-in from employees. Join the Business Services Team to gain insight into strategies and best practices to improve retention and reduce turnover.

Lima Plaza
6974 S. Lima Street
Centennial, CO 80112
Economic Development HUB

September 26, 2023
10:00 a.m. - 11:30 a.m.
