Help After Job Loss

After being laid off, you may be asking yourself, what's next?

We offer monthly virtual workshops covering the following topics:

3rd Wednesday every month

11:00 am

Career Services at Workforce Centers

Join us to learn about employment & training resources available at NO COST through Colorado's Workforce Centers. (30 mins)

1:00 pm

How to File for Unemployment Insurance Benefits

Learn how to file for unemployment insurance benefits and get tips on how to avoid problems with your claim. (1 hr)

3rd Thursday of every month

10 am

Retirement Funding Decisions After Job Loss

If you contributed to an employer sponsored retirement plan, learn how the retirement plan decisions you make now affect your retirement savings, taxes, penalties, and your unemployment insurance benefits. (45 mins)

11 am

Understanding Your Health Care Options After Job Loss

Learn about the healthcare options available to you after your employer sponsored health care coverage ends. Learn how to compare plans, and select the coverage that is right for you. (30 mins)

Funded 100% by the federal WIOA Dislocated Worker Program, using state Rapid Response funds with a total availability of \$2,687,685 (PY 2023).
